August - September 2010

Dear Pastor and Co-laborers in Christ,

We pray that this letter finds you all well and serving the Lord. We rejoice that we had the opportunity to pass out thousands of Gospel tracts and John and Romans booklets these last two months. We were able to give them to some people that we would not normally be able to reach during the rest of the year, because of the large summer increase in population here on the coast.

We have visited a couple of new cities and have begun to look for prospects. It is very exciting to see people take the tracts and immediately begin to read them. We still face the brunt of anger of a few who are blinded by Satan and the false teachings of the Catholic Church. There was one man yelling at us and telling us that God doesn't exist and that he has been living 71 years and is doing fine. I warned him that he would learn differently in the end. It is so sad that for centuries these dear souls have been lied to. Those who see the hypocrisy of false religion usually end up mad at God instead of seeking Him. It reminds me just how important it is to guard our testimony and live for Christ. Help us pray by asking the Lord to open peoples' hearts to the Gospel and give them a desire for His Word.

Praise the Lord for a young teenager that followed the Lord in Believer's baptism. Tristan had received Christ as his Savior before coming to Spain with his parents. He recently told them that he needed to obey the Lord and be baptized. During the baptism our church members passed out tracts to those that were watching from the beach. Afterwards I was able to witness to one of the men standing by and explained why we were doing it.

Thank you for your prayers for the men in our church that were in need of work. The Lord answered your prayers and provided jobs for two of the men. These men remained faithful to the Lord during this valley in their lives and exemplified faith. It is a blessing to see the Lord reward them and bless them.

Lord willing, we will be going to the states briefly in December to attend our oldest son's wedding. Garrett will be getting married on December 18<sup>th</sup> in Tennessee. Please pray for him and his fiancé Hollie Ridenour that the Lord would lead and guide them as they start a new life together. Please help us by praying that we find tickets at reasonable/affordable prices. Christmas time is not exactly the cheapest time of the year to fly. We also need to be able to use a vehicle while we are in the states in order to get between GA, TN and AR.

Thank you for being so faithful to the Lord. We never want to take for granted that you are the vessels that the Lord uses to keep us here and doing His work. Thank you for being our co-laborers.

In Christ,  
Bro. John Beck
