May – mid July 2009

Dear Pastor and Praying Friends,

Greetings in the name of our wonderful Savior, Jesus Christ. It is our joy to share with you what the Lord is doing through us and the ministry that He gave us here in Spain. We have had a wonderful couple of months since our last prayer letter and the Lord has moved mightily in our midst.

We started a Bible Institute at the beginning of May covering basic doctrines and the brethren absolutely love it. They are so hungry for the Word and have so many questions. What a joy to teach people the Word of God! Please ask the Lord to help our students to retain the knowledge that they are receiving.

The Lord recently allowed us to lead another lady to the Lord that had been attending the church for a while. She had come out of the Pentecostal church and had told us that she was saved, but recently came to the conclusion that she wasn't and asked the Lord to save her. She then called her two sisters and led them to the Lord over the phone. One lives in Nicaragua and the other in Costa Rica. What a blessing to see the Lord's hand moving so mightily.

Fabio, our Brazilian young man, recently surrendered to preach and has been helping me by preaching some of the services. He is growing by leaps and bounds in his Spiritual walk and increasing in his service to the Lord. He is also an assistant teacher in the Spanish kids' Sunday School class. Please continue praying for him and his family as they serve the Lord.

Patsy recently returned to the doctor to tell of a continual pain she was experiencing in her side. Upon further medical tests they found a tumor on her uterus and recommended that we take it out. We had just recently changed insurance companies and found out that she couldn't have the surgery in Spain until December. After consulting our doctors at the Veteran's Administration, they told us that they could do the surgery in the States. Patsy flew back in June and just had her operation on July 14th. We praise the Lord that the pathology reports all came back stating that there wasn't any cancer. Praise the Lord. I also want to thank the Lord for watching over our three youngest boys while I was with her for the surgery and for giving me safe travel. We want to thank our home church and the Lord for providing our tickets to and from Spain. Patsy will remain in the States for a little while longer while awaiting follow up visits with the doctor. Please continue to pray for me and the boys in her absence.

Again we want to thank you all for your faithfulness to this ministry through your prayers and financial support. We joyfully report that God is doing a wonderful work here in Spain. Please continue to pray for us as we strive to win more souls and train the brethren.

In Christ,  
Bro. John Beck
