October- December 2009

Dear Pastor and Co-laborers in Christ,

We thank the Lord for all that He is done in our lives not only in these last few months, but throughout this whole year. He always is and always has been wonderful. What a blessing to be able to be used of Him in the ministry. We want to remind you all that it is because of your love for Him and souls that we are able to do what we do here in the field.

We thank you for your prayers on behalf of Ana Lilia, the mother in our church who was expecting triplets. The three girls (Lorena, Ana Mary and Claudia) were delivered via Caesarean on the 14<sup>th</sup> of December without any complications. PRAISE THE LORD!! Ana Lilia is recovering well and is very appreciative of your prayers.

We want to thank the Lord for the BEAMS ministry who has shipped us numerous cases of both Spanish and English Bibles. They have given us a wonderful arsenal of God's Word that we can provide to the souls the Lord gives us. We also want to thank those who support the BEAMS ministry as well. We know it takes everyone doing their part in order to further the Gospel! We were able to visit a lady in our neighborhood last month who had had an operation and presented her with a Spanish Bible. She was very touched and said that it was the first time in her life that she had ever had a Bible. She couldn't believe we were just giving it to her. It really convicted us about just how many people in our neighborhood might not even own a Bible. We as Christian Americans take for granted the availability of God's Word.

Each year we hold a Thanksgiving dinner at the church where we invite all to come. Praise the Lord we had 57 to attend this year. It is always a mixture of Americans, Spaniards, and many immigrants here from all over the world. I took the opportunity to also give out Spiritual food in the presentation of the Gospel. Please ask the Lord to work in the hearts of the new contacts that He gave us that they might trust Him as their personal Savior.

Please continue praying for our oldest son, Garrett. He did not go into the military a few months ago, but is still pursuing that avenue. He is currently speaking with the Navy recruiters and seeing what is available to him. We recently had the privilege of him coming to see us here along with Patsy's dad. They were able to spend three weeks with us, including Thanksgiving. Garrett enjoyed eating his favorite Spanish dishes and mom's home cooking. Garrett has been very busy with his volunteer firefighting and hopes to be able to pursue that career as well. Please pray that the Lord will guide and direct him according to His will.

The first week of December I was able to take part in preaching at a Missions Conference held by one of our sister churches in Lebrija. There were five churches represented in the conference in which about 150 people attended. During the conference one man accepted Christ as his personal Savior. Please pray for Jesús as he begins his walk with Christ.

We never cease to be amazed by all of your generosity and special care to us, especially at Christmas. We have received numerous cards and love offerings and want to thank you for this demonstration of your love. We pray that you will join us this CHRISTmas season in making sure that Christ is indeed the focus. We hope that you all have a Happy and Spirit filled New Year as well.

In Christ,  
Bro. John Beck
