

The Beck Family

Missionaries to Spain

October – December 2010

Dear Pastor and Co-laborers in Christ,

We thank the Lord for another year to have had the opportunity and privilege to serve Him. He is always faithful to us and provides our every need. We want to thank all of you that you allowed Him to work in your lives as well by helping us to minister here in Spain.

Please continue to pray for our ministry here in Spain as we have had some to leave the church and return to the world. Even though we are told that this happens in all churches, it is still very sad to see. We are asking the Lord to continue to work in their hearts and woo them back through His Spirit. While we know that we are in the last days, we want to encourage everyone to be faithful and continue serving Him until He returns.

We flew back to the states to attend Garrett's wedding in December. It was a beautiful wedding and we are pleased to see our son start his own family. Please pray for him and Hollie as they are stationed at Norfolk, VA. He will be deployed from time to time and will be gone for six months starting around May. We are asking the Lord to watch over him and keep him from harm's way and to take care of Hollie in his absence. We were able to visit family in Alabama, Arkansas, and Tennessee as well.

We would like to ask you to pray for my grandfather, Tony Beck. He is 87 years old and has been placed under the care of Hospice due to his health. He told me that he is ready for whatever the Lord's will is.

We want to thank our sending church for providing us with a vehicle from the Missionary Assistance Group of Trinity Baptist Church of Wilson, NC. It was a tremendous blessing to be able to travel and not worry about expensive rental car costs or maintenance. Thank God for this ministry. It has provided numerous vehicles to missionaries on deputation/furlough for years and is a tremendous help.

It was good to come back to our ministry and know that the men of our church did such a great job in our absence. I thank the Lord for these men who stepped up to preach and teach when it was needed. It makes a preacher proud to see those that he has trained to train others. We are looking forward to what the Lord will do through these men in the future.

Please pray for us as we reapply for our Residence cards that expire in April. We trust the Lord to take care of this for us, but we always get concerned until they have been approved.

We would like to thank everyone that sent us extra for CHRISTmas. We know with the financial situation in the states that it was indeed a sacrifice on your part. Thank you for your continued love, prayers, and support. May you have a blessed 2011!

In Christ,
Bro. John Beck
